IKIJI = 粹

IKIJI = Chic

elegante, libertino

"IKI" chic turns into IKI pride.

And "IKI" pride transforms into IKI chic.

To be Edo chic is about feeling
and living Sumida's pride in everyday life.

Touch, wear and carry.

And you will experience something new
happening in your lives.

The playful spirit created by the pride
of experienced Sumida craftsmen
transforms into the style for the mature.
